STANDARD TERMS AND CONDITIONS

1. INSTRUCTIONS FOR SUBMITTAL: These standard terms and conditions along with the solicitation specific terms and conditions apply to all proposals submitted. Explain any requested deviations or exceptions as part of your proposal. KEDC may, at its discretion, accept or reject any or all deviations or exceptions proposed. In the event of a discrepancy between the standard and RFP specific terms the RFP specific terms will govern.

The public notice for this request for proposal, the request for proposal itself, and any addendums are available for view, download, or print from the Internet at www.kpc4me.com on the public notice date and until the time and date specified for the RFP opening. Tabulations will be made by KEDC staff and, after the KEDC Board or its designee has taken official action, will be posted to the above website.

KEDC is utilizing the online procurement services of KPC to facilitate this solicitation. KPC has an online interface that creates a confidential and encrypted electronic submission. Proposal submission requires that each respondent has an updated vendor account. Instructions on how to register as a new vendor or update an existing account and complete the submission process can be found at <http://www.kpc4me.com/bid-opportunity>. For assistance with registration or technical questions regarding the online interface contact info@kpc4me.com

Submit all proposals and any attachments via the online application. No other form of submission (e.g., paper, telephone, facsimile, telegraph, mail, etc.) will be accepted. Proposals submitted on company forms are subject to rejection. The respondent acknowledges that the respondent has read this request for proposal, understands it, and agrees to abide by its terms and conditions.

2. CLARIFICATION: For clarification or additional information relative to this request for proposal contact the KEDC Member Services Team by email at memberservicesteam@kedc.org or phone (606) 928-0205.
3. PROCUREMENT CONSIDERATIONS: KEDC conducts all procurement transactions in full compliance with all applicable federal and state statutes, regulations, and rules.

It is the clear intention of KEDC to foster all procurement transactions in a manner to provide to the maximum extent practicable, open, and free competition (20 U.S.C. 1221e-3(a)(1) and 3474, - 22 CFR 135).

KEDC shall make positive efforts toward procuring and utilizing small business and minority-owned business sources of supplies and services. All such efforts shall be made to allow these sources the maximum feasible opportunity to compete for contracts.

All procurement procedures developed and implemented by KEDC shall ensure that unnecessary or duplicative items are not purchased. Where appropriate, considerations of lease and purchase alternatives will be made to determine which would be the most economical and practical procurement.

All KEDC solicitations for goods and services shall be based upon a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in

competitive procurements, contain features that unduly restrict competition. Brand name or equal clause may be used to define the performance of other salient requirements of procurement, and when so used to specify features of the named brand that must be met by respondent.

A contract will be entered into by KEDC with only responsible respondents who possess the potential ability to perform successfully under the terms and conditions. Consideration shall be made for such matters as a respondent's integrity, record of past performance, financial and technical resources, or accessibility to other necessary resources.

KEDC shall follow the principles of cost analysis in the review and evaluation of responses to determine if the respondent meets the requirements or reasonableness, allocability, and allowability.

4. AUTHENTICATION OF RESPONSE AND STATEMENT OF NON-COLLUSION AND NON-CONFLICT OF INTEREST AND COMPLIANCE WITH THE KENTUCKY MODEL PROCUREMENT CODE: By my signature on the certification or by electronically submitting my response to this solicitation, I hereby swear or affirm under penalty of false swearing as provided by KRS 523.040:

RFP SPECIFIC TERMS AND CONDITIONS:

- 1. PARTICIPATING MEMBER INSTITUTIONS: Any institution that is a member of KEDC (hereinafter referred to as member or members) is eligible to utilize the awarded proposal; however, this does not mean that all members will participate. This statement of intent does not obligate any district to utilize an awarded proposal.
- 2. AWARD: After the review of the proposals, the KEDC Board or its designee may accept one or more proposals based on the needs of the members. Each participating member will score all responsive and responsible proposals using the following criteria:

	POINTS
1. Market basket Analysis	50
2. Item Availability	20
3. Service History	30
POINT TOTAL	<u>100</u>

Member scoring will serve as a recommendation to the KEDC board. However, only the KEDC board has the authority to make an award and issue a contract. Awards will be given to the highest scored responsive and responsible respondent on a member-by-member basis. Respondents deemed not responsive or responsible will be rejected and no further evaluation of their proposal submission will occur.

- 3. SERVICE AREA: A respondent will not be required to sell to or serve all eligible members. Any respondent that cannot serve all members is required to complete the Service Area Tab in the provided Excel Workbook indicating the members the respondent can serve. If this list is not returned, the awarded proposal will be available to all members.
- 4. MARKET BASKET ANALYSIS: The Market Basket Analysis sample is established based on the value of the contract to be awarded. The most recent velocity/sales report from our current suppliers was used to project the balance for the coming year. As a result, the following items may be utilized in evaluating each proposal at the member’s discretion:

- **Whole Grain White Hamburger Bun 2 ounce grain equivalent**
(> 50% WHOLE GRAIN WHITE HAMBURGER BUNS (> 2 ounces/56 grams each))
- **Whole Grain White Hot Dog Bun 2 ounce grain equivalent**
(> 50% WHOLE GRAIN WHITE HOT DOG BUNS (> 2 ounces/56 grams each))

- **Whole Grain White Sandwich Bread 1 ounce grain equivalent**
(> 50% WHOLE GRAIN WHITE SANDWICH BREAD (> 1 ounces/28 grams slice))

Members may also elect to evaluate each vendor's response based on the full catalog of prices submitted if it is determined to be in their best interest.

Prices for the remaining items listed in the solicitation should also be included, though they will not be a part of the market basket analysis.

5. ESTIMATED QUANTITIES: Quantities listed in the proposal solicitation are based on last year's usage. KEDC makes no guarantee or commitment of any kind regarding usage of any contracts resulting from this solicitation.
6. SOLICITATION OF QUOTES: KEDC members may exercise their rights to solicit quotes on all non-awarded items from the respondent in accordance with all rules, regulations, and governing small purchase and micro-purchase policies. Quotes for non-awarded items shall be at the price mutually agreeable between the respondent and the member and shall be inclusive of all delivery and other associated fees.
7. CONTRACT PERIOD: The contract period is for one year plus any extensions and will expire July 31, 2024. The contract may be extended on an annual basis by KEDC not to exceed five years in total including the first contract period. KEDC shall notify the awarded respondent in writing of its intent to extend or not to extend the contract by May 15th of each year. If KEDC notifies awarded respondent of intent to extend the contract by one year, awarded respondent shall respond in writing by June 1st that it does not intend to extend the contract, or with any necessary price increases or decreases for the first contract period of the extended year. The determination to renew the contract beyond the initial year shall be determined in part by the performance of the awarded respondent and by price stability during the contract period. If price increases submitted are deemed excessive (defined as greater than index) by KEDC then KEDC shall have cause to not extend the contract.

Any contract extension is contingent upon written agreement of KEDC and the awarded respondent. The contract will not be automatically extended beyond any current year unless expressly approved by KEDC. KEDC reserves the right on any contract extension to revise, update, or supplement the contract terms and conditions including the assessment of administrative fees to the awarded respondent as needed to cover the cost of KEDC servicing the contract for the members.

KEDC reserves the right to extend the term for up to 180 days to continue a source of supply until new or replacement contracts are completed.

8. PRICING: All submitted pricing must include transportation and delivery charges to the location (member, KEDC, etc.) specified during ordering. Fuel surcharges and other similar charges are not permitted. The awarded respondent shall provide each awarded item to all KEDC members at the same price. The awarded respondent MAY NOT submit multiple discount levels for the same product by KEDC member.

9. **CONTRACT MODIFICATION:** During the term(s) of a contract awarded under this solicitation, additional purchases not included in this solicitation list and resulting awarded contract may become necessary and benefit the member. Both parties agree that the aggregate value of added purchases during each year of the contract, if renewable, shall not exceed 15% of the estimated total value of the contract. For each contract renewal, the total actual value of the contract in the preceding year and the additions made during the contract term, will be the basis for determining the maximum dollar amount (not to exceed 15%) of additional goods that will be allowed during the next contract renewal year.
10. **PROMOTION:** KEDC will actively market the awarded respondent to its members. Marketing includes inclusion of your logo, your contact information, and a copy of the awarded contract made available to every KEDC member online, and promotion of all KEDC Preferred Vendors during regular district visits by KEDC staff. 15. **SUBCONTRACTORS:** The use of subcontractors for product delivery requires the express approval of the member. 18. **BUY AMERICAN ACT:** The respondent will assist members in their efforts to abide by the Buy American Act. The Buy American provision was added to the National School Lunch Act (NSLA) by Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Public Law 105-336). Section 12(n) to the NSLA (42 USC 1760(n)), requiring school food authorities (SFAs) to purchase, to the maximum extent practicable, “domestic commodity or product”.

Domestic Commodity or Product is defined as an agricultural commodity that is produced in the United States and a food product that is processed in the United States using substantial agricultural commodities that are produced in the United States.

Substantial means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

The Buy American provision (7 CFR Part 210.21(d)) is one of the procurement standards SFAs must comply with when purchasing commercial food products served in the school meals programs.

Buy American: Schools participating in the federal school meal programs are required to purchase domestic commodities and products for school meals to the maximum extent practicable. Domestic commodity or product means an agricultural commodity that is produced in the US and a food product that is processed in the US substantially (at least 51 percent) using agricultural commodities that are produced in the US.

Federal regulations require that all foods purchased for the Child Nutrition Program be of domestic origin to the maximum extent practicable. While rare, two (2) exceptions may exist when: the product is not produced or manufactured in the US in sufficient, reasonable, and available quantities of a satisfactory quality, such as bananas and pineapple; and competitive proposals reveal the cost of a domestic product is significantly higher than a non-domestic product.

ALL products that are normally purchased by Distributor as non-domestic and proposed as part of this solicitation must be identified with the country of origin. The distributor shall outline their procedures to notify School when products are purchased as non-domestic. Any substitution of a non-domestic product for a domestic product (which was originally a part of the solicitation), must be approved, in writing, by the Director of School Nutrition, prior to the delivery of the product to the school. Any

nondomestic product delivered to the school, without the prior, written approval of the Director of School Nutrition, will be rejected.

The distributor must affirm their willingness to assert their best and reasonable efforts to ensure compliance with this federal rule.

The respondent will provide documentation to KEDC prior to award and to the member prior to shipment for each product sourced internationally. **Documentation must include item number, item description, country of origin, and exception rationale.** Allowable exceptions to the Buy American Provision are limited to 1) the product is not produced or manufactured in the United States in sufficient and reasonable available quantities of a satisfactory quality; and 2) competitive bids reveal the costs of a United States product are significantly higher than the foreign product. Any substitution of a non-domestic product for a domestic product (which was originally a part of the solicitation), must be approved, in writing, by the Director of School Nutrition, prior to the delivery of the product to the school.

If the respondent feels the cost of the domestic product is significantly higher, they must list the price of the domestic product as well as the non-domestic product price on the bid worksheet. The decision to purchase domestic or non-domestic products will rest with the Child Nutrition Director of each participating member.

KEDC members reserve the right to return at the respondent's expense all items found to be in violation of the Buy American Provision if the product does not qualify for one of the exceptions listed above.

19. TRANS-FAT: Food products and ingredients used to prepare school meals must contain zero grams of trans-fat (less than 0.5 grams) per serving. Documentation for food products and food ingredients must indicate zero grams of trans-fat per serving. Acceptable documentation of the trans-fat specification includes nutrition labels or manufacturer specifications and must be provided to the member by the distributor on request. Meats that contain a minimal amount of naturally occurring trans-fats are allowed in the school meal programs (7 CFR 210.10 (f) (4)).
20. ADMINISTRATIVE FEE: The awarded respondent will pay an annual administrative fee of \$200.00 per member served under this contract. The administrative fee is payable upon award of contract. Remit the administrative fee payment to KEDC, 904 Rose Road, Ashland, KY 41102-7104. For your reference, KEDC's FEIN is 61-0659010.
21. ITEM SUBSTITUTION AND OUT-OF-STOCK BACK-ORDERS: No substitutions are allowed without prior written authorization from the member. Members must be notified if an item is out of stock, backordered, or if timely delivery cannot be made. It is an expectation that all individual awarded items are to be stocked items slotted at all distribution facilities servicing KEDC members. If an awarded respondent is temporarily out of stock of a particular item, **an equal or superior product at an equal or**

lower price to the original item portion price shall be provided. All replacement items must meet the same nutritional profile of the out-of-stock item. The members shall be notified of out-of-stocks twenty-four (24) hours prior to delivery. The awarded respondent shall maintain a 97% average fill rate.

If the awarded respondent fails to deliver within the time specified, or within a reasonable time as interpreted by each member or fails to make replacements of rejected articles when so requested or demonstrates a continuous inability to secure the awarded item, the member at its sole discretion, may purchase a product of equal or greater quality from another source. On all such purchases, the awarded respondent shall be responsible and liable for the difference in cost between the amount paid for the substituted product and the amount which would have been paid the awarded respondent. The awarded respondent's argument that an item could have been purchased at a lower price shall not have merit.

KEDC RESERVES THE RIGHT TO ASSESS A FINANCIAL PENALTY ON BEHALF OF THE MEMBER FOR FAILURE TO PROVIDE PRODUCTS THAT MEET THE REQUIREMENTS OF THE NATIONAL SCHOOL BREAKFAST PROGRAM AND/OR NATIONAL SCHOOL LUNCH PROGRAM.

The penalty shall be the greater of the cost of that day's reimbursable meals served at the effected sites or \$1,500.

22. DELIVERIES: The successful respondent will be expected to have each delivery checked by the appropriate personnel and to leave two (2) signed copies of the itemized delivery ticket with them. The delivery ticket must list any credits, shortages, errors, and/or damaged goods. NO SUBSTITUTIONS PERMITTED WITHOUT THE APPROVAL OF THE MEMBER. Respondent is expected to keep a reasonable stock of awarded items on hand. All copies of invoices and statements, by location, should be sent to the Member Business Office.

Products are to be rotated by the delivery person. Any out of date or unused product must be removed and credited to the purchasing member's account. Estimated quantities shall be calculated by the delivery driver for future orders. Unused products are to be collected by the successful respondent BEFORE ALL VACATION PERIODS.

Respondent should state the number of deliveries to be made to members during a month (where not specified) and day of week deliveries will be made for lunchroom managers to properly schedule delivery date requests on their Purchase Orders.

Deliveries shall be made at least TWICE PER WEEK to the individual location unless a different delivery schedule is negotiated between the contractor and the member. NO MINIMUM DELIVERY REQUIREMENTS ARE ALLOWED.

Deliveries shall be made into the location and placed in the proper storage at each site as needed and directed by the member. Acceptable delivery times are to be negotiated between the contractor and each participating member.

It is understood that deliveries are not to be made to schools when they are not in session (Election Day, Holidays, in-service days, etc.) with the exception of the opening of school. Calendars will be provided to the successful respondents to designate off-school days. When school is cancelled because of inclement weather or other emergency the school system reserves the right to accept the delivery, authorize another acceptance signature, or to cancel the delivery.

All products or services procured from the awarded proposal are to be delivered free of freight charges (FOB destination).

The designated supplier(s) agrees to provide total requirements as listed herein, thereby minimizing occurrences when a member may have to seek other interim product sources. Failure to deliver 100% of the items on the core item list within 48 hours shall be considered default.

Drivers must be clean, of neat appearance, and professional.

23. DELIVERY CRATES/TRAYS: All vehicles, crates, and trays utilized to deliver products must be clean, in good working order, and compliant with all HACCP regulations. Crates/Trays used to deliver products must be picked up by the vendor within fifteen days of the date of delivery. Crates/Trays left at a member's site longer than fifteen days become property of the member and may be disposed of in any manner deemed necessary.

 - iv. Market bulletins (used for distributor manufactured items and inner company billing items when price change occurs).

26. **PRODUCT EVALUATION:** Samples requested must be furnished free of expense to KEDC and or the KEDC member for evaluation. If not destroyed or consumed in testing or evaluating, or required in connection with the award, furnished samples will, upon request, be returned at the respondent's expense. The right is reserved to mutilate or destroy any samples if considered necessary for testing purposes.

27. **PROMPT PAYMENT DISCOUNT:** Awarded respondent may provide a prompt payment percentage discount for invoice payments postmarked less than 30 days from the invoice date, and awarded respondent must provide a satisfactory explanation to KEDC of how this provision will be administered to enable KEDC to effectively monitor and verify the discounts, and to ensure that such discounts are returned to the members.

The discount may take the form of either a deduction from the invoice, check, or credit in an amount equal to the discount payable to the member.
